 **PACE** Helm Dental Laboratory is a locally approved AGD PACE program provider for FAGD/MAGD Credit. Approval does not imply acceptance by any regulatory authority or AGD endorsement. Acceptance period 04/2020–04/2021. Provider ID#400406.

## Registration

To register for this complimentary program, email: [SusanDerryberry@HelmDentalLaboratory.com](mailto:SusanDerryberry@HelmDentalLaboratory.com) or call the lab at (972) 442-9772.

Please respond soon as space is limited. Please note, an individual email address is required per registrant.

At the conclusion of this presentation, attendees will understand:

- How to grow your practice effectively with iTero IOS. Better communicate oral issues with your patients and drive new treatment revenue. Don't Tell Them.....Show Them!
- NIRI Technology / Caries Detection AND Hi Res Photography from one simple scan.
- Digital Workflow versus analog workflow, and why Digital is the better choice.

## Speakers

Alex Alvarado is a Certified Crown and Bridge Dental Technician with over 21 years of experience in the dental industry. Certified since 2004, Alex has been a lecturer, clinical educator, and an advocate of CAD CAM globally for the past 13 years, most recently with 3Shape.

Kurtis Helm, CDT owns and manages Helm Dental Laboratory in Wylie, Texas. Mr. Helm attended Texas A&M University and received a degree in Biochemistry. After serving five years in the United States Air Force as a Dental Laboratory Technical Trainer, he moved back to Texas to open his lab in 1993. Mr. Helm is

a Certified Dental Technician in ceramics and removable dentures, studying extensively at institutions such as LVI and Pankey. Helm Dental Laboratory is a full-service laboratory that employs 50+ technicians and focuses on the use of technology in the fabrication of all fixed and removable prosthetics. Helm Dental Laboratory has recently added a guided solutions division which assists doctors with treatment planning of complicated implant cases. To assist in this endeavor, the lab has invested in some of the most advanced technology and has expanded the lab to create a Technology and Training Center. The lab has been recognized as Diamond Partner by Nobel Biocare and received a certificate of excellence from Henry Schein. Mr. Helm is also a member of Dentsply Sirona Implants PEERS group and is a Super Elite Partner Lab.
